Eureka and Park City Baseball Teams to Meet on Walker's Diamond This Afternoon.

Special to The Tribune.

EUREKA, Sept. 10 .- A large number of Eurekans will accompany the Eureka baseball team to Sait Lake tomorrow to witness the final game with Park City in the series for the State championship. The local team has played nineteen games this season, winning all but four, and has defeated the best teams in the State, including the Cleavelands, Oregon Short Line team, Ogden and Park City

The Eureka Union band of twenty pleces, one of the best musical organizations in the State, will be taken to the capital.

pinces, one of the best musical organizations in the State, will be taken to the capital.

If the Eureka sports can find takers for their money considerable coin will change hands on the result of the game. When the other two games were played between Park City and Eureka the baseball fans from the Summit county camp experienced a severe attack of cold feet and consequently the betting was not as heavy as it should have been.

When arrangements were first made for this series of games it was agreed that in addition to playing for the State championship there should be a side bet of \$1900, which would mean \$200 for the winning team. The Eurekams put up their end of this purse and then received word from the management of the Park City team that this amount of money could not be raised in that camp to back the ball team.

The manager of the Park City team has

the ball team.

The manager of the Park City team has no occasion to be worried for fear Eureka will attempt to run in "ringers," as Manager Shoutz considers his present line-up, which has been played most of the season, strong enough to put the kibosh on the Park City bunch.

SECOND CHOICE WINS

Stalwart Comes in First in \$2500 Race at Sheepshead Bay.

NEW YORK, Sept. 19 -- Stalwart, with Redfern in the saddle, and second choice in the betting, won the \$25,000 annual Champion stake at Sheepshead bay today. Champion stake at Sheepshead bay today. Major Daingerfield was second and Broomstick, the favorite, third. A poor field of handicap horses faced the starter in this race. Broomstick was always the first choice, and was heavily played, his price dropping from even money to 9 to 10. Staiwart was a steady second choice at 8 to 5, while the prices against Major Daingerfield and Africander were 12 and 8 to 1, respectively.

Statiwart was a steady second choice at 8 to 5, while the prices against Major Daingerfield and Africander were 12 and 8 to 1, respectively.

The start was almost perfect. Around the first turn and into the back stretch the favorite led by two lengths, Stalwart second, with a length and a half ahead of Africander. Major Daingerfield was last, a head back. Broomstick continued to show the way to the far turn the second time around, when Stalwart, under a little urging began to slowly gain on the leader, and three-eighths of a mile from the finish he was on even terms with Broomstick. As the field swung into the stretch, Stalwart began to draw away, winning easily by four lengths. Major Daingerfield, who had been last all the way, began to move up on the tiring of Broomstick in the final eighth, and beat the favorite half a length for the place. Broomstick was ten lengths in front of Africander. Tradition, the favorite, won the Great Eastern Handleap, six furlongs of the Futurity course, defeating a first-class field. Summary:

COACH MADDOCK ON THE GROUND

Football Practice to Start Tomorrow.

Michigan Gridiron Star Arrives in the City and Takes Charge.

Well Pleased With the Situation and Hopes to Put Out a Fast Eleven This Fall.

Joseph H. Maddock, the veteran tackle of the undefeated Michigan football team and the man who will pilot the University of Utah eleven through their campaign this fall, arrived in the city yesterday afternoon. He will spend today in looking about the city, and tomorrow afternoon at the Cummings field will send a squad of 'Varsity football candidates through a preliminary practice.

Coach Maddock seems deeply interested in his work, as is evidenced by the fact that he had not been in Salt Lake more than an hour when he made a hurried trip to the "U" grounds and looked over the institution, particularly the gymnasium and athletic field. He is very enthusiastic and his enthusiasm is contagious. His presence in the city has given the football fans their first thrill, and all those who met the new coach predict bright things for Uni-versity athletics this year.

Is an Athlete Himself.

Maddock is a magnetic young fellow, bubbling over with life and enthusiasm. He has a pleasing appearance and is powerfully built. He is nearly six feet tall and weighs 196 pounds stripped. Speaking of the outlook for football at the "U" this fall, Coach Maddock said last evening: "I have been in the city but a short time and, of course, have not had much of an opportunity to look around. But from what I have learned while here I thick we will make the course of the coache of the c learned while here I think we will pur, out a team that will make our rivals go some to beat us. There seems to be considerable material here, and with a few weeks' work I believe the boys will be able to hand out some pretty fast football.

First Practice Tomorrow.

Tomorrow afternoon the new coach will take charge of the Varsity football squad, and under his direction the men will indulge in a light practice. All this week the practice will be continued, and by the time school opens, one week from tomorrow, Maddock

will have his men hard at work. Released by St. Louis.

ST. LOUIS, Sept 10—The St. Louis National league baseball team has released George Barclay, an outfielder, to the Boston National league team. Barclay has departed to join his new team.
